ABOUT EL PORTAL:

El Portal is a hidden treasure nestled amongst the natural tropical fauna of South Florida and only minutes to midtown Miami and Miami Beach. It is a tiny tropical oasis of 750 single family homes. Founded in 1937 it is home to wild peacocks and 100 year old Oak Trees. Well Guarded by the El Portal police force and governed by a Mayor and commission, it is a safe haven of 1930's and 1940's homes that are being renovated to incorporate modern design and technology.

THE ART:

The event will feature photographs that were submitted to the "We Love Our Village" Photo Contest by local community members, and take place during Wynwood popular Art Walk.

The event will include cocktails, hors d'oeuvres, DJ and dancing, and silent auction items.
